1st Floor Plan

This shouse is modern, airy, and has everything you need. The entry opens into the dining, and has the kitchen and living on either side with a vaulted ceiling and tons of windows. There is a walk-in pantry in the kitchen, a mudroom and separate laundry room. The primary bedroom has a large bath and there's a second bedroom, perfect for a guest room or an office.

Plans and elevations are artist's conceptions and may vary from standard plans. Homestead Homes of America, Inc. reserves the right to modify plans and designs without notice.
